# My Funds Portal

## What can I do on MyFundsPortal?

- Access your visit summary with all information from your latest provider visit including medications, instructions, education, and upcoming appointments.
- Access test results including labs and COVID-19.
- Receive information regarding your offsite referrals.
- Access information from your medical records.
- Access to your provider's notes including comments on lab results.
- Direct book new appointments or cancel/reschedule right from your portal account.
- Request medication refills without the need to schedule an appointment with your doctor.

## MyFundsPortal.com

Introducing MyFundsPortal.com, your brand-new and patient-friendly website that caters to all your healthcare needs! Whether you want to access your patient portal or gather valuable health information from our health and wellness blog, MyFundsPortal is your go-to destination for all things related to your well-being.

We've designed MyFundsPortal to be user-friendly and easy to navigate, ensuring that you have a seamless experience while exploring various health resources. With MyFundsPortal, you'll have everything you need to take charge of your health!

## What happened to HappyHealthyMe?

We have listened to your valuable feedback over the years and taken it to heart. We understand that finding HappyHealthyMe on the app store hasn't always been straightforward, and it didn't truly represent our organization. That's why we are thrilled to introduce MyFundsPortal. MyFundsPortal also uses the same login credentials as HappyHealthyMe which makes the transition seamless.
